Exhibition System Construction

Shell Scheme designs are essential for providing image and identity to an Exhibition. The most cost effective option an organizer can offer their exhibitors to display their products. In today's typically short build - up periods & onsite pressure, demand high level of logistical expertise from your shell scheme contractor, which we are able to offer. We believe that each exhibitor is entitled to highest quality of finish on each occasion. We also offer a service to upgrade Shell Scheme Booths to enhance your products.

why Exhibits Expo

you never get a second chance to make a first impression, which is why we aim to make **first impressions last** in more ways than one.

With our **Exhibits Expo** we do it from **concept to completion**.

In the competitive world of exhibitions and digital printing, it is essential that your exhibition stand work hard for you, effectively **projecting your brand** and **communicating your product** or services in an intriguing and exciting way.

environmental

We're a company who employs a **waste-managment** system and a recycling company remove a wide variety of **recyclable products** from our business to recycle them for reuse in the **i n d u s t r y** .

We also purchase materials from companies who source their products from **sustainable industries**
